

Thank you for making Dash x Boost amazing

Dear Hackers, thank YOU for an amazing first ever design hackathon in Turku. It was great watching you create a day full of innovation and clever brainstorming, filled with motivation and fantastic pitches.

What happened?

Want to relive last Friday? Follow this [link](#) to see moments captured by our great photographers Antti Istala and Pinja Akkanen. Link is open for a limited time.

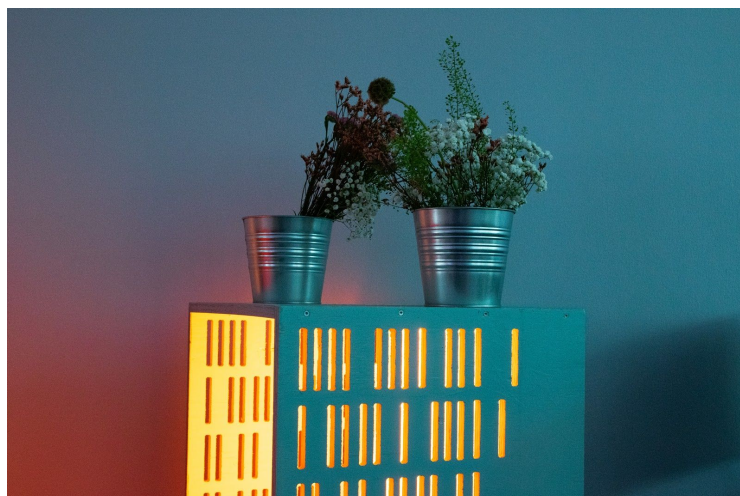

Winners of SHIFT tickets

We will be sharing your contact details with SHIFT business festival and they will get in touch with you.

Want more of where this came from?

Boost your design knowledge with Boost entrepreneurial society: Boost's Design Thinking Course is happening in November. Sign up for the interest list now - <https://forms.gle/3G2Rmx5NyJ2sU4y9>.

And dash over to Helsinki on the 18-20th of October for the Europe's biggest design hackathon: Dash! Applications are open, just follow this [link](#) to apply!
